

Park and stride

Getting to Bordon Infant and Junior Schools

Bringing learning to life!

Kids need at least 60 minutes exercise every day. Walking and cycling to school is a good way to do this.

Official 'Park and Stride' Car Parks

① Hampshire Road Car Park

Capacity: 12 spaces
Distance: 300 metres

② Garrison Pool Car Park

Capacity: 30 spaces
Distance: 60 metres

③ Guadeloupe Car Park

Distance: 600 metres

④ Martinique House Car Park

Note: This car park is only available until 08:45am for the 'Park & Stride Initiative'

Capacity: 10 spaces
Distance: 300 metres

WE WALK TO SCHOOL

Strider says children who have to be driven to school can still get their 'Walk once a Week' badge if they park and stride.

Fit and fun on the school run

If you live within the green and orange ten to 15 minute walking zones, you may find it quicker to walk to school than to drive and have to find a parking space.

If you live beyond walking distance and have to drive, **please Park and Stride** to help **make it safer around the school gates** so more families can **walk, cycle or scoot** to school.

Avoid the congestion in Budd's Lane by parking in the car parks shown overleaf. When parking on street, always get your children out of the car on the pavement side.

Walk from a Friend's House:

Know friends who live locally? Why not ask to park at their house and walk together for a sociable school journey?

Lift share:

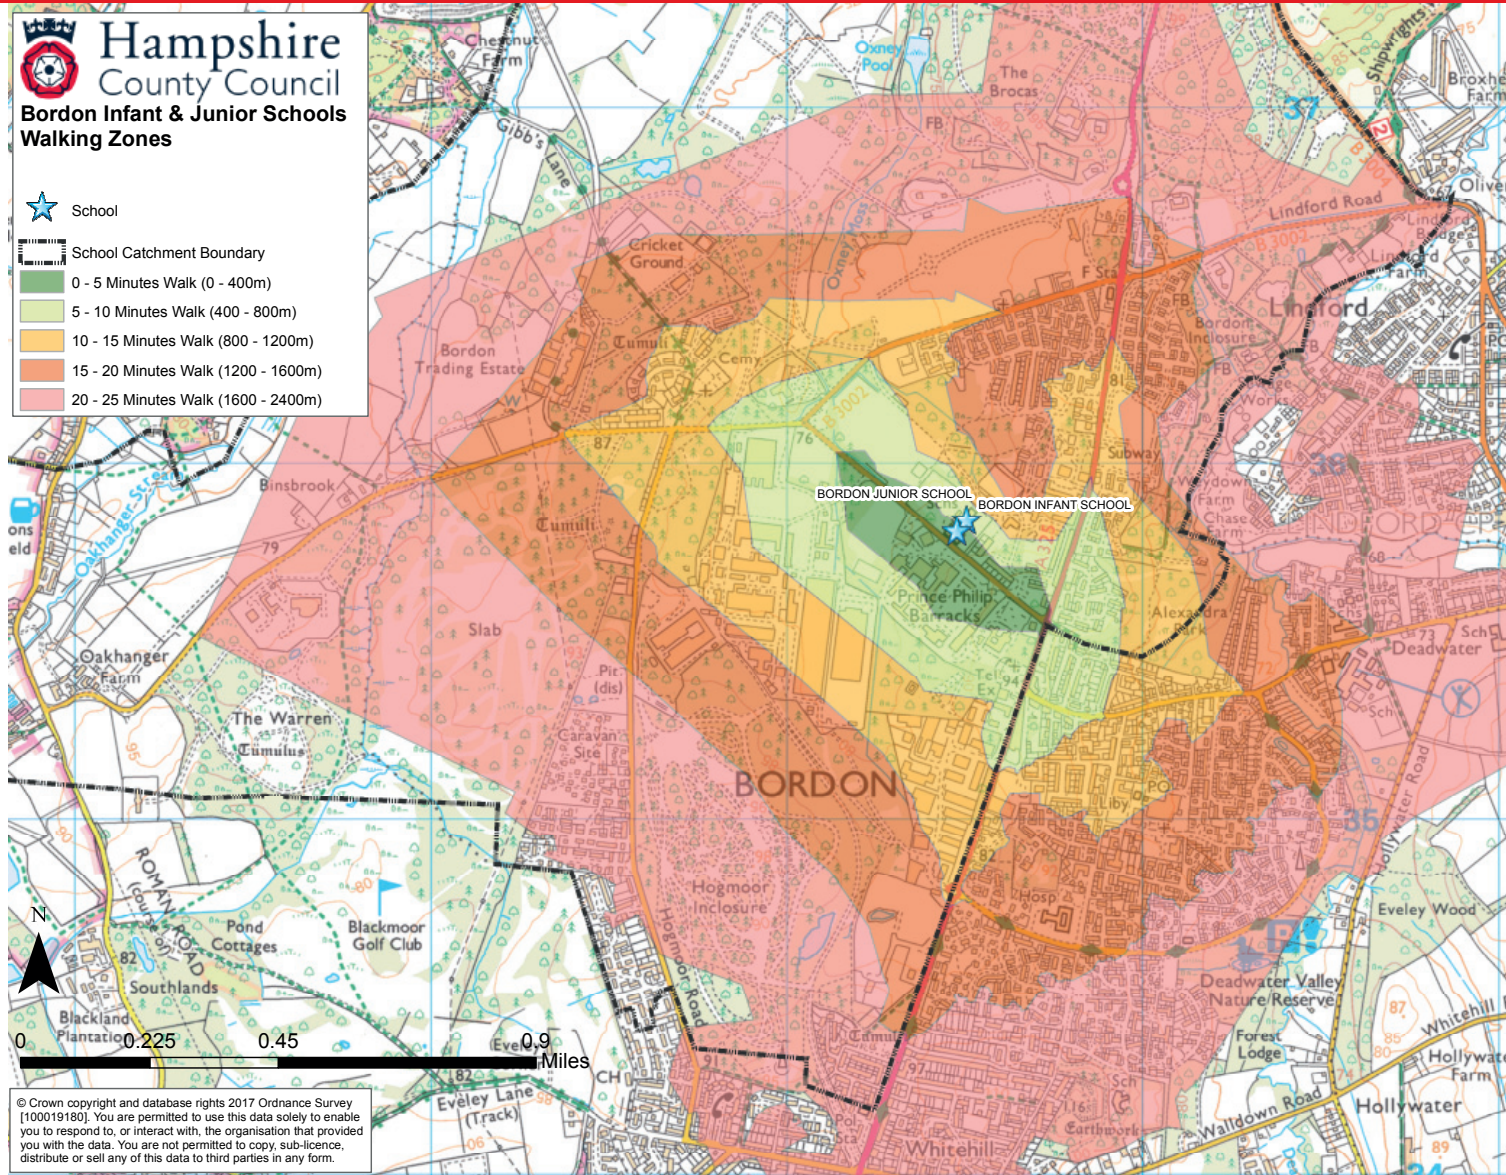

Going the same way as a neighbour? Why not lift share and then Park & Stride as often as possible saving fuel and the environment?

5 good reasons to Walk to School

- Kick Start a healthy Lifestyle
- Boost Brain Power
- Become Street Savvy
- Enjoy Quality Family Time
- Save Money

Hampshire County Council
