CAFÉ HOGMOOR

Café Hogmoor, is a new community facility managed by the Whitehill & Bordon Community Trust.

Built on the Swedish fika concept of making time for friends and colleagues to share a drink and a little something to eat, it will also provide employment, skills development and apprenticeship opportunities.

Situated in the heart of Hogmoor Inclosure, Café Hogmoor is the perfect hideaway for the local community to enjoy delicious artisan inspired food and drinks.

BEEHIVE

Managed by the Whitehill & Bordon Community Trust, the Beehive is an educational space designed to house a range of activities held by both the Trust and other organisations wishing to hire the building to hold their own classes, workshops or events.
