

Welcome to Whitehill & Bordon Schools

Welcome to Whitehill & Bordon Schools

Whitehill and Bordon Schools have a long tradition of working together for the benefit of the children and families in our community.

The town's Headship team is very experienced, boasting over 100 years of leadership experience across the 7 Headteachers!

Our secondary school is a brand new state of the art set of buildings on a 22 acre campus in the heart of the town's regeneration. Students enjoy cutting edge technology and equipment as well as first-rate leisure and sports facilities.

Although each of the primary phase schools in our town is unique with its own ethos and values, there is a shared purpose across all schools to provide children in our town the best possible education with inspirational teachers and an engaging curriculum.

We all join together regularly for town-wide events such as our Christmas Cantata, Art Exhibitions and Sporting Tournaments. The first Whitehill & Bordon Schools Bakeoff is in its planning stage!

As part of deciding which school is right for your child, we would encourage you to visit all of our schools to enjoy a tour and discover for yourself what makes each school a great place to learn. You will find our staff and children welcoming and they will all be excited to share with you how proud we are of our schools.

To arrange your visit please contact the school offices on the telephone numbers or email addresses below.

We look forward to meeting with you soon.

Yours sincerely

Mr P Hemmings
Headteacher, Oakmoor School

BORDON INFANT SCHOOL

Budds Lane, Bordon, GU35 0JB
Tel: 01420 472358

The first years of education are vitally important and choosing the right school for your child is one of the most important decisions you will ever make. At Bordon Infant School you will find a learning atmosphere that is happy and stimulating, a curriculum that is exciting, challenging and one that brings learning alive. We believe in every child and we know every child can succeed.

Bordon Infant School is a happy place, where your confident pupils enjoy their learning. Pupils flourish because staff know them well and work to meet their needs.

Our school philosophy is to give children the foundations for their future education and the building blocks to succeed in life. We place great importance on children learning the crucial skills of reading, writing and using numbers with confidence, whilst having fun at the same time!

At Bordon Infants our children especially love the enhanced curriculum that includes weekly Forest School sessions, science week and special WOW days. We also offer a nurturing setting for Breakfast and After School clubs and the children who attend love the activities they do there.

We would love to meet you and to show you around our school.

If you would like to have a tour of the school please give us a ring and we will be happy to arrange one for you.

You can find out more about us on our school website.

Bordon Junior School

"Bringing learning to life"

Broad curriculum

Specialist teaching

Creating opportunities

Celebrate achievements

Personal Development

**Experience
Days**

At Bordon Junior, every child can be happy and successful.

We know every child is unique and we value the energy and enthusiasm they bring to our community of learners.

It is the school's responsibility to help each child in our care explore their interests. We are proud of how they grow in confidence and develop the resilience to face the challenges ahead of them.

Together we create a safe and secure environment in which children can develop as people.

Our curriculum is carefully planned to develop self-esteem and allow children to go on to secondary school not only with the knowledge and skills they need, but also as independent and motivated learners who can make the most of every opportunity.

Welcome to The Holme CE Primary School – a school with a difference!

As a Church of England school, The Holme has very clear values and a strong Christian ethos which permeates every aspect of our school and which is built around enjoyment in learning. We value the support and commitment which parents offer and believe that working together enables our children to achieve their full potential through high quality teaching and an exciting curriculum, holding our children at the heart of everything we do.

We have high expectations for all our children academically and strive to find the right way for *all* children to learn well. Standards are rising and our children go on to achieve well in secondary school and beyond. We believe children need different experiences in a range of areas in order to have aspirations and so have a programme of experiences that all children have during their time with us.

Your child, who is precious and unique to you, will be welcomed into our community with care, love and tolerance and treated as the unique individual they are. All children are taught conscientiously and treated with respect, courtesy and kindness. We ensure an effective transition between each stage of education which is sympathetic to the children's individual needs.

Choosing a school is an important decision, so please come and visit us to see for yourself what makes the Holme so unique. To get more of a flavour of what goes on in our school, visit our website.

Ambition · Courage · Excellence

Oakmoor School is a brand new, state of the art secondary school situated in a 22 acre tree lined site on the edge of the South Downs National Park.

We are a friendly, vibrant school with high standards and expectations. We pride ourselves on knowing every young person as an individual and challenging each of them to have the highest possible aspirations. The Oakmoor ethos is encapsulated by our motto: *Ambition, Courage, Excellence*.

Students at Oakmoor display excellent behaviour in lessons and around the school. Teachers plan highly engaging lessons tailored to the needs of our students allowing high levels of progress to be enjoyed. Students benefit from a wealth of extra-curricular activities, including trips and visits to enrich their experience at our school.

We benefit from cutting edge technology throughout the site and the latest specialist equipment for key areas such as science, technology and performing arts. Our main buildings surround a central court yard which includes covered areas for outside dining and seating areas outside of the learning resource centre for reading at break and lunch times.

There is an abundance of green spaces which include several sports pitches, an athletics track, a nurture garden and a forest school area for outside learning and activities. The whole site is bordered by mature trees providing a relaxing and inspirational backdrop to our inspirational learning environment.

We are a very successful school where high levels of respect and conduct prevail. Our success shows that when you couple high quality pastoral care with high standards and expectations, young people are able to flourish and to achieve their very best.

Visitors comment on our purposeful learning environment and our delightful students. To experience this for yourself, you are most welcome to arrange a tour of the school by contacting our office.

Email: adminoffice@st-matthews.hants.sch.uk

St Matthew's is a happy, stable and secure place for children where they can develop in all areas, where they may explore, experiment, make mistakes and grow ever enquiring minds.

Our vision is to develop actively involved, self-motivated and resilient children who can learn from and with others.

The head teacher, Mrs Pennicotte-Henrie says, "I am enjoying working within such a friendly community. St Matthew's is in a beautiful forest setting and the children use the outdoor environment for learning. We can often be seen wearing our wellington boots; they are an important part of our school uniform!"

The Church is behind the school and we visit it regularly for our worship times. We are lucky to have enthusiastic Parish members who support the school. Alice the Vicar visits at least once a week.

When asked about our school, one child said,
"If you come to this school you will be happier than you have ever been."

We hope that all the children that come to St Matthew's have such a positive outlook on their learning and experiences here. We encourage them all to be lifelong learners and enjoy every day.

Respect, Faith, Friendship, Achievement

Working Together For Excellence

Welcome to Weyford Nursery and Primary School. We welcome children from 2 – 11 years in our newly formed primary school.

Our four values underpin all that we do – Respect, Aspiration, Achievement and Teamwork.

We are proud of our curriculum which is exciting, hands on and all about our children. We have hook days, visitors and visits and share our learning with our parents.

Our children are proud to talk about their learning.

We care about our inclusive community where everyone feels safe and valued.

Our school council takes an active part in our school and helps the staff and governors make important decisions.

We want all children who come to Weyford to grow in self-confidence, develop independence and be able to achieve their best.

Everyone one at Weyford is a learner and every day is a learning day.

We have four learning heroes who teach us how to be a learner

Resilient Rhino

Resourceful Robin

Reflective Ray

Relationship Rabbit

We have a breakfast and afterschool club for children in our school called

Woodpecker Club

Please come and look around our school we are very proud to be Weyford Nursery and Primary School.

Woodlea Primary School

Woodlea Primary School is a truly special place for children. We are dedicated to growing excellence for our children and staff. We aim to develop a strong sense of self and build children's confidence. We provide a safe and nurturing environment where children flourish and have the opportunity to build positive relationships, make positive choices and be inspired to become lifelong learners.

Through our stunning woodland setting, children access a unique and enriching learning experience.

The engaging, nurturing environment stimulates the imagination and unlocks the potential in each and every child.

Children at Woodlea enjoy our engaging curriculum which includes hook days and special end of unit celebrations which parents are invited to share. Children also love their F.O.X time, where they get to explore and develop their understanding of our very own woodland environment.

To truly see what we are all about at Woodlea, it would be our pleasure to give you a guided tour. If you would like to visit, please contact our school office to make an appointment.

Phone us on: 01420 476342 or email us at: adminoffice@woodlea.hants.sch.uk
